

Scions of the Covenant

Summary

An anthology of non-sequential fictional stories. Embark on adventures following individuals most affected by "men of renown" across the vast expanse of the galaxy. Each short story takes place in a critical moment or knowledge of critical events in the chronicles to these exceptional entities.

Collection I

[Tale I: The Shadow One and the Prisoner](#)

A cloaked figure visits a decrepit man, who for many years been in a prison for those who are completely removed from society and history. The cloaked figure is looking for information from the man's extensive and forgotten past. What information is so important that this mysterious stranger visits a old man long forgotten by everyone in a place for the completely damned?

[Tale II: The Spec Ops and the Healer](#)

After a critical mission, a special trained soldier recovers in the medical bay on board a star cruiser orbiting a planet. While the soldier is being tended for his wound, the young medical officer ask the soldier questions about his duties, his past, and his beliefs. Her preconceive ideas of all the subjects would be challenge as she learns there are more to what she has heard from popular opinions.

[Tale III: The Convict and the Spy](#)

An upstanding, well dressed gentleman with unfetter clearance is allowed access to a notorious convict in a maximum security prison. However, everyone is oblivious that the gentleman is a spy looking to get critical intel from the convict. The convict testifies that he is innocent of all the charges and is nothing more than a political prisoner to the current regime. The convict must be important if a well trained spy is risking everything to gain access to his knowledge.

[Tale IV: The Witch and the Templar](#)

After a massive raid on a sanctum filled members practicing the dark arts, the care taker from that sanctum is moved to a manor at an unknown location for questioning. Expecting to be tortured for information, she is gifted with a surprise in being held within a dimly lit room filled with books, artifacts, and other items of priceless collection. She has heard tales of this particular order, only known to her as the Templars, but has never seen any member prior to the raid. She awaits to be questioned by the prelate of the Templar.
